Artwork Requirements

Trim Size: Trim size is 33" x 80". Please make sure to add ½" bleed on all sides of your artwork (for a final bleed size of 34" x 81").

Do not add crop marks.

File Format: PDF is preferred. AI, JPEG, TIFF and ESD are also accepted.

File Setup: Set your resolution to 150 dpi-300 dpi at actual size.

CMYK is required; please convert all PMS & Spot Color to CMYK format. Outline all fonts and embed all images.

Assembly

Your banner stand arrives with your banners already installed in the stand base. Do not attempt to change out or replace the banners! This will damage the retractable mechanism and could impact the safe operation of the unit during setup.
